Notices

Irrigation is to be paid in advance. If you do not have a credit on your account sufficient to cover the water you request, you may not receive irrigation. You are responsible for knowing your balance.

Irrigators who have not returned a signed Water Usage Agreement will not receive water. The agreement can be found on the website www.wmid.org under Forms.

Payments should be mailed to P. O. Box 11357, Glendale AZ 85318. The USPS and federal law states: “no part of a mail receptacle may be used to deliver any matter not bearing postage”. Additional information is available on the website www.wmid.org

Please ensure you take all of your water according to the schedule and keep your irrigation ditches clean of vegetation and other debris. If the ditches are not clean, or the schedule is not followed, it impacts your neighbors downstream.

Please continue to be diligent in your efforts to contain your water on your property. If you see water in the street and are not able to work with the homeowner to fix it, call the Maintenance Foreman Terry Sills 602-615-6056

Remember, it is your responsibility to look for your water. If you are not receiving your water on schedule, please do the following:

1. Ensure your ditch is clean and in good repair
2. Talk with your neighbors to determine if they are releasing on time and if their ditch is clean and in good repair.
3. If your neighbors' ditches or release times are the issue and, after you speak with them, they do not make corrections, you may file a formal complaint. Send complaint to Officemgr@wmid.org
